The membership fees will be subject to annual review by NASBTT's Board of Trustees. Any changes will be notified to members via the blog and these conditions will be updated to reflect such changes.

In advance of any membership renewals, members will be notified in writing at least one calendar month before renewal is due.

Following receipt of notifications of renewal, a member may cancel their membership in accordance with the termination clauses (see below). Such cancellation requests must be notified in writing (office@nasbtt.org.uk) by 21st August in order to avoid cancellation charges being applied.

If payment is not made within 30 days of the membership invoice date, NASBTT will ask the member to explain the delay. In the event that a member does not pay within a further 30 days, NASBTT reserves the right to suspend membership and apply late payment fees of 4% per calendar month.

Termination

Membership will terminate:

- If a member fails to pay the appropriate fee within 30 days of a request from NASBTT;
- If the member cancels membership by written notice as detailed above at its registered office or by email to office@nasbtt.org.uk;
- If the member commits any breach of these conditions, the website terms of use, or any code of conduct NASBTT from time to time may put in place and the Board of Trustees resolves that their continuing membership is not in the interests of NASBTT, provided that the member:
 - Shall have been given at least 28 days' notice in writing of the Board's intention to terminate their membership and of the grounds for termination; and
 - Shall have been given a reasonable opportunity to object to the termination of their membership and to have written representations considered by the Board; or
 - If NASBTT becomes aware that any information provided in the member's application for membership was misleading or false in any material aspect and decides to terminate membership; or
 - If the organisation ceases to exist or an individual member dies.

NASBTT will not be obliged to refund any part of any membership fee paid for a year during which a member has ceased to be a member.
