

Current Vacancies with the Basingstoke Alliance SCITT

Subject Board Tutor - Maths

Are you an experienced secondary school teacher with an excellent track record in teaching and learning and in supporting colleagues in their continuing professional development?

Do you have experience in Initial Teacher Training, either as a mentor or a subject leader?

Would you be interested in extending and developing your own skills and experience by presenting to our future teachers in the subject of **Maths**.

If so, why not consider joining the **Basingstoke School Centred Initial Teaching Training** team and be directly involved in the training of trainee teachers?

We are currently recruiting subject tutors for September 2019. **Applications must be submitted by Friday 7th June 2019**, interviews will take place on **Friday 14th June 2019**.

What does this role involve?

- Delivery of 18 x 2 hours of subject-based training per week on a Monday morning from September 2019- December 2019 (10 sessions) and then 4 sessions in the spring term 2020 and 4 sessions between April and May 2020.
- Liaising with schools and visiting each term to meet trainees and carry out observations.

What's in it for you?

- Bespoke training in the summer term of 2019 to support the delivery of your sessions.
- £2000-2500.
- An excellent opportunity to extend your own repertoire of expertise.

What's in it for your school?

- Necessary supply costs paid for when you are out of your home school.
- Opportunities to benefit from your developing subject and ITT expertise.

How to Apply
